If you just love the [Storybox Photo Mats & Journaling Boxes](#), be sure to check out another great speed tool - the new [PicFolio™ Milestones Album](#). With each purchase, you'll receive a set of 16 Storybox journaling boxes free!

Here's how fast you can preserve memories and stories with this new album. Choose your photos, write your stories on the journaling boxes, slide photos and journaling boxes into the Story Sleeves and you're done!

Check out the [PicFolio™ Minutes Album](#) for a smaller album option. This on-the-go brag book holds 24 photos and features a unique magnetic closure that doubles as an easel.

Big or small, we've got it all at Creative Memories.

*P.S. Looking for a traditional scrapbook?
